

# LOVE YOUR WATERWAYS

We all have a role to play in protecting our waterways. Here are five simple actions we can do to help make them clean and safe for everyone to enjoy!

[ourlivingriver.com.au/loveyourwaterways](http://ourlivingriver.com.au/loveyourwaterways)

## COVER IT UP

Keep dirt, leaves and other garden waste away from stormwater drains.

## KEEP IT CLEAR

Rain water is the only thing that should go down a stormwater drain.

## REDUCE YOUR RUBBISH

Dispose of your litter correctly and swap soft and single-use plastics for reusable products.

## CAR WASH

## WASH IT WISELY

Wash your car and household cleaning equipment the right way to prevent cleaning products from affecting water quality and marine life.

## LEAVE ONLY PAW PRINTS

Pick up pet waste to stop bacteria and other bugs from entering our waterways.
